Forecast for Thursday 22 Apr 2021

Weather: Dry with long clear spells in the early hours, leading to a frost forming, mainly in valleys. A dry, sunny day is then forecast with mainly light winds. Feeling pleasant in valleys with shelter by the afternoon, still somewhat fresher over peaks. Sunshine may be strong with exposure at altitude. Then dry and clear through the evening.

Chance of cloud free mountain/hill tops above 600m: 100 percent.

Visibility: Mainly good or very good, locally moderate in any early morning mist.
